

Don't, or else

Genesis 3, 4

Last week we concluded...

1. God created out of desire, not need
2. Creation is necessarily orderly
3. Creation reflects God's passion
4. We finite beings with infinite longings might face challenges...

The woman saw that the tree was good for food and delightful to look at, and that it was desirable for obtaining wisdom. So she took some of its fruit and ate it; she also gave some to her husband, who was with her, and he ate it.

**It is the glory of God to
conceal a matter; the
glory of kings to
search out a matter.**

We can conclude...

- It is human to take shortcuts...
- Shortcuts don't work
- God's grace is always active:
 - In allowing us to face consequences
 - In facing them with us, hoping to lead us back.
